About us

At ATT, we are proud to be a trusted name in Qatar's dynamic business environment. Founded in 2015, we have grown into a leader in providing high-quality products, services, and innovative solutions across various industries. Whether in construction, agriculture, or industrial sectors, our dedicated team delivers tailored solutions that meet the highest standards of quality, safety, and sustainability.

Our Mission: To provide innovative, sustainable solutions that drive success.

Our Vision: To be the preferred partner for businesses seeking excellence and growth.

Core Values: Integrity, Innovation, Quality, Customer Focus, Sustainability.

Why Choose ATT ?

Expertise and Experience : Over a decade of industry experience, delivering optimal solutions and results.

Wide Range of Offerings : Comprehensive suite of products and services supporting business growth.

Customer-Centric Approach:: Tailored solutions ensuring long-term success and client satisfaction.

Our Commitment to Quality

At ATT, quality is the cornerstone of our operations. We ensure every project is handled with professionalism, precision, and care. Our focus on sustainability drives us to adopt energy-efficient, eco-friendly practices that reduce our environmental footprint. This commitment allows us to deliver long-lasting solutions while supporting responsible growth and a greener future for Qatar's industries.

Our Products and Services Overview

We offer a broad spectrum of products and services, developed using the latest technology and high-quality materials, with a strong commitment to innovation and continuous improvement.

HVAC and Water Management Solutions

We specialize in designing, supplying, and maintaining state-of-the-art HVAC systems, ensuring comfortable and energy-efficient environments for both residential and commercial properties. In addition, our water management solutions are engineered to maximize efficiency, reduce waste, and promote long-term sustainability.

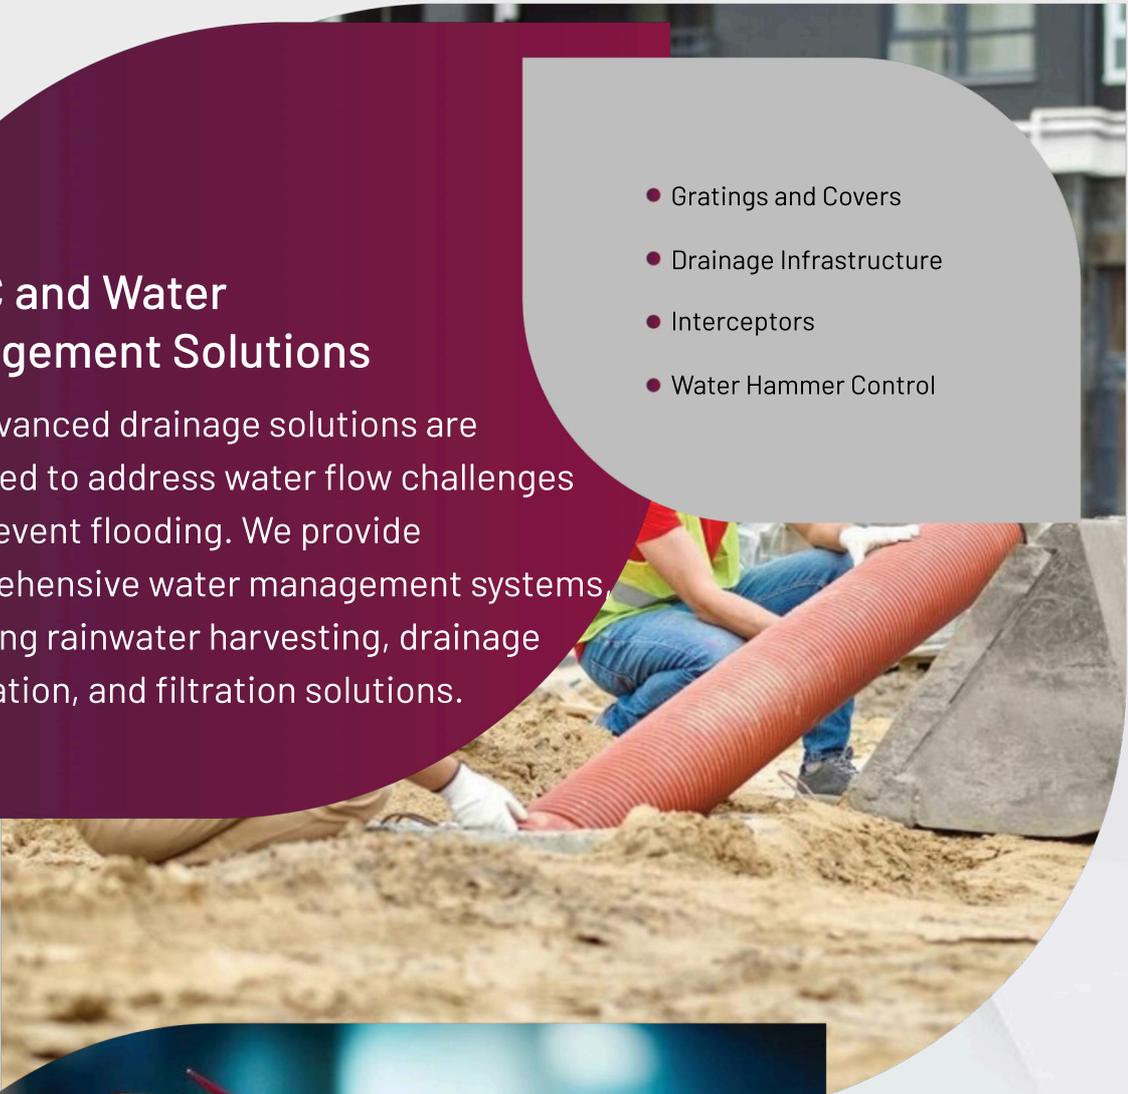

- Air Handling and Ventilation Systems
- Heating and Cooling Systems
- Heat and Energy Recovery
- Air and Water Purification
- De-Humidification and Humidification
- Control and Measurement Solutions
- Drinking Water Solutions

HVAC and Water Management Solutions

Our advanced drainage solutions are designed to address water flow challenges and prevent flooding. We provide comprehensive water management systems, including rainwater harvesting, drainage installation, and filtration solutions.

- Gratings and Covers
- Drainage Infrastructure
- Interceptors
- Water Hammer Control

Safety and Protection Solutions

From fire safety products to personal protective equipment (PPE), we supply a comprehensive range of safety and protection solutions to ensure your workplace remains secure, compliant, and prepared for any emergency.

- Fire and Smoke Curtains
- Health & Safety Supplies

Tents and Structures Solutions

We offer robust and versatile tents and structures for a wide range of uses, including outdoor events, temporary shelters, and commercial setups. Designed for durability and ease of use, these structures are ideal for both short- and long-term applications.

- Gratings and Covers
- Drainage Infrastructure
- Interceptors
- Water Hammer Control

Water Treatment and Recycling Solutions

Our water treatment systems are designed to make water safer for use in both residential and industrial environments. We also offer advanced water recycling solutions that help conserve water and reduce environmental impact.

- Grey Water Recycling Systems
- Vehicle Wash Recycling Systems
- Sewage Treatment Plants
- Odor Control Systems
- Hatchery Water Treatment Systems
- Oil Interceptors and Neutralization Tanks
- Energy-Saving Solar Devices
- Reverse Osmosis Systems
- Filtration and Softening Systems
- Water Tank Disinfection and Cleaning

Sports Facilities and Landscaping Solutions

We provide comprehensive services for the design and construction of sports facilities, including landscaping, turf management, and irrigation systems that enhance both performance and aesthetics.

- Sports Fields and Tracks
- Indoor Sports and Multipurpose Facilities
- Sports Flooring and Markings
- Sports Lighting
- Bleachers
- Acoustic Sound Controls
- Shade and Shelter Solutions

Construction Materials and Industrial Minerals

We supply high-quality construction materials, including cement, aggregates, and minerals for a wide range of industrial applications. Our materials meet the highest standards of safety and durability.

- Cementitious Materials
- Aggregates and Stones
- Industrial Minerals

Insulation Products and Associated Materials

We provide comprehensive services for the design and construction of sports facilities, including landscaping, turf management, and irrigation systems that enhance both performance and aesthetics.

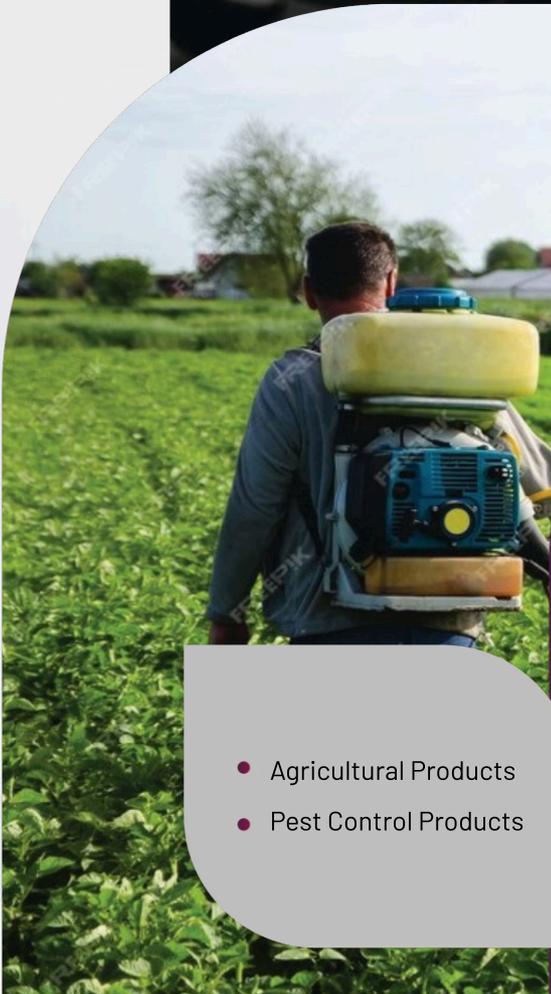

- Hot Insulation
- Cold Insulation

Agricultural Products and Pest Control Products

We provide a wide range of agricultural solutions, including pest control products, irrigation systems, fertilizers, and more. Our products are designed to support agricultural growth and long-term sustainability.

- Agricultural Products
- Pest Control Products

Insulation Products and Associated Materials

We provide comprehensive services for the design and construction of sports facilities, including landscaping, turf management, and irrigation systems that enhance both performance and aesthetics.

- ABB
- Schneider Electric
- Mitsubishi Electric
- General Electric (GE)
- Endress+Hauser (EH)
- Phoenix Contact
- Festo
- Turck
- Pepperl+Fuchs

Chemical Products

Our chemical products serve a wide range of industries, from manufacturing to sanitation. We offer a comprehensive range of specialized chemicals to meet the unique requirements of our clients.

- Industrial Solvents
- Laboratory Chemicals

Our Contracting Services

Expertise in handling projects of all sizes with precision and professionalism:

Maintenance Works

HVAC, plumbing, electrical, and mechanical services.

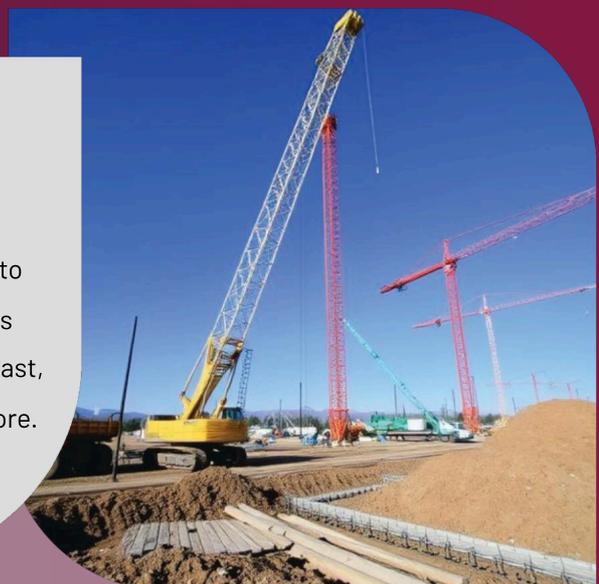

Our maintenance services cover HVAC systems, plumbing, electrical, and mechanical equipment, ensuring that everything runs smoothly and without disruption

Civil Works

Road construction, structural foundations.

We handle all aspects of civil engineering, from road construction to structural foundations. Our civil works services ensure projects are built to last, with safety and functionality at the core.

Electrical & Mechanical Works

Installations, repairs, and heavy machinery services.

Our electrical services cover everything from power installations to repairs, ensuring safe and reliable electrical systems for your property or business. We also provide expert mechanical engineering services, including the installation and maintenance of mechanical systems such as HVAC, piping, and heavy machinery.

Asphalt & Fit-Out Works

Paving, resurfacing, and interior space transformations.

We specialize in asphalt services for commercial and industrial applications, including paving, resurfacing, and parking lot construction. Our fit-out services transform interior spaces into fully functional and aesthetically appealing environments. From office buildings to retail spaces, we ensure your vision comes to life.
